PORTABLE BUILDINGS

LLC

MPB-5885

WE UNDERSTAND THAT THERE ARE MANY OTHER COMPANIES VYING FOR YOUR BUSINESS EACH WITH THEIR OWN OPTIONS, PROS, & CONS.

That's why at Marten Portable Buildings, we put the customer first in everything we do. With beginnings as a small family-operated business in Western Kentucky, Marten Portable Buildings LLC has grown to provide customers all over Illinois and Southern Wisconsin with a top quality product at a fair price. Then, and still true today, each and every one of our portable buildings, garages, and cabins are hand-built the old fashioned way right here in the USA with an unequaled level of superior craftsmanship and quality materials. Our network of dealers throughout the Midwest are locally owned and operated, each contributing locally to the communities they serve by providing jobs and opportunities to many.

We understand that by taking care of our customers and providing the best buildings and service money can buy, that we are earning a customer for life. At Marten Portable Buildings, our commitment will always be to build beautiful handcrafted products that will stand the test of time.📍

The Cape Cod is the newest addition to our collection of building models. It offers a distinctive exterior style with transom dormer windows that allows for natural lighting to illuminate the interior. The eight inch roof overhangs create a refined look as well as provide an added protection to the doors and siding. It also features two double pane windows accented with our wooden hand-built shutters. The double doors provide ample access and feature decorative hardware adding a vintage look.

The Cape Cod provides the perfect backyard retreat, guest house, or home office.

Scan the QR code and design the cape cod with your own choice of colors and additional options.
